### Top ten reasons to use APG Computers Mail Services

- 1 Cloud service** – The easy way to move your business to the Cloud and work together efficiently and securely, with the experts in Cloud services helping you at every step.
- 2 Cost** – Save time and money by putting your office in the Cloud, no maintenance or infrastructure costs. Predictable monthly fee and the Microsoft 99.9% uptime guarantee.
- 3 Support** – As with all our Cloud services, APG Computers Mail Services is fully supported by our UK technical team who will assist you with set up and any ongoing support you may need.
- 4 Business Continuity** - An important part of any business today is ensuring that your data remains available at all times. APG Computers Mail Services allows you to access email and documents, anywhere, anytime.
- 5 Reliable** - Delivered from multiple data centres, APG Computers mail Services offers the Microsoft 99.9% scheduled uptime guarantee and APG Computers support ensures efficient set up and help.
- 6 Security** – With APG Computers Mail Services your data is protected. Antispam and antivirus safeguard your email while updates and patches are applied automatically.
- 7 Familiar** - APG Computers Mail Services uses the most popular of the Microsoft services, Outlook and SharePoint, while Office Web Apps and Professional Plus enable you to use favourites like Word and Excel when on the move. Office Professional Plus can be installed on multiple devices.
- 8 Scalability** – as your business grows you can add additional accounts, quickly and easily, without the need for buying additional hardware, just a simple increase to your monthly invoice.
- 9 Connect & Communicate** – Share your documents with your colleagues, seamlessly communicate through instant messaging and conduct video conferences easily.
- 10 Mobility** – Work from anywhere with an internet connection. Emails automatically sync with most mobile devices and view and edit documents with Office Web Apps and SharePoint.
